

# Call for Papers

## Southwestern Geographer

The *Southwestern Geographer* is a peer-reviewed journal, published annually by the Southwest Division of the Association of American Geographers (SWAAG). The journal welcomes research papers on any topic written by geographers who reside in the states that comprise SWAAG (Arkansas, Louisiana, New Mexico, Oklahoma, and Texas), as well as research papers by scholars residing elsewhere on any topic that pertains to the geography of the southwestern United States or northern Mexico. Graduate students are strongly encouraged to submit their work.

Guidelines for authors may be found at:
